

OUR CLIENT LIST

AGS Real Estate Services is nationally recognized because we specialize in complex projects involving extensive due diligence. We work with numerous city, county, state and federal agencies including the Florida Department of Environmental Protection, the Florida Department of Transportation, the U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service. In the past five years alone, we have completed in excess of 11,500 comprehensive title searches and provided closing services on over 5,000 transactions for construction, environmental and infrastructure projects throughout the state of Florida.

AGS is proud to be recognized as the contractor of choice for both the public and private sector, including:
